

PARENT Learning. Growing. Together.

ACADEMY

Get Involved

The Parent Academy is a family resource designed for parents, caregivers, and community members to promote involvement and enhance student achievement. Classes, activities, and resources are offered in three strands.

Student Achievement

Supplies parents and caregivers with the tools to promote students' academic achievement, and navigate the school system.

Parenting & Advocacy

Provides tools to more effectively enhance parenting, advocacy, and leadership skills.

Personal & Individual Growth

Supports personal and professional development.

Workshops will be offered throughout the city in libraries, faith-based organizations, schools, government offices, and community centers.
